Dear Friends,

On behalf of the organizing committee, it gives me immense pleasure to invite you all to OASIS TRAUMACON 2019 to be held on 7th July 2019 by Sunshine Hospitals, under the aegis of Telangana Orthopaedic Surgeons Association and Twin Cities Orthopaedic Society at Hyderabad. The theme is EVIDENCE meets EXPERIENCE.

Evidence keeps changing with rise and fall of surgical techniques, especially in fractures with multiple options of treatment. We have selected few such fractures where treatment will be discussed on the basis of evidence and experience. At the end of the day combining EVIDENCE and EXPERIENCE we intend to arrive at the most appropriate treatment.

Hyderabad is the capital of southern India's Telangana state. A major center for the technology industry, it's home to many upscale restaurants and shops. Its historic sites include Golconda, Charminar and many other places.

We invite you to come, learn and discuss with the experts.
