## Invitation from

**Dr. G. V. S. MOORTHY**  
Organising Chairman

### **Welcome to the TOSACON 2021.**

The 6th Annual Conference of our Association TOSA is scheduled on 6th, 7th and 8th August 2021. The fond wish of Our team to meet You all in person is stalled by the second wave of Covid-19. The dreams of hosting our Hyderabad hospitality, cultural and cordial meetings of Delegates and families are kept in hold for this time. After a long wait in vain, the Organising team has to compromise for a Virtual TOSACON 2021.

However, it has also paved the way to meet virtually many members and faculty who otherwise could not have met, due to time, age, health, distance and other logistics. We could also make it more of Academics with participation from Speakers from faraway lands, which could not have been possible in a Physical meet. We can find good in everything!

The members of all the committees are now geared up to make every effort, to come out with a well planned and executed Conference, with their previous experiences in Virtual conferences. Trauma in Orthopaedics is ever challenging and needs a specific plan for every individual case, to come out with the best results for that particular Patient. Trauma is also intermingled with many other specialties of Orthopaedics. The constant developments in the methods and materials need to be comprehensively added in the training and practice. This is reflected in the theme of this year's Conference.

With ever improving Communication methods, Data Processing and Research facilities, there is an exponential knowledge available to absorb, as time permits. At the same time there is a need to remember the basics of Orthopaedics and Natural behaviour of Health and Diseases. The Academics are tailored to achieve this goal in TOSACON 2021.

The Surgical, Medical and Biomedical Equipment Industry will always play a supportive role, to enrich the Academic events. All are invited to participate in the Conference and share their knowledge and expertise of related things.

Welcome again to One and All.  
Wishing to meet You All Virtually!

## Invitation from

**Dr. Y. THIMMA REDDY**  
Organising Secretary

On behalf of TOSA, the Organising team of TOSACON 2021 is Happy to announce the dates of this year's Annual Conference on 6th, 7th and 8th August 2021. The Association and Organising Committee are looking forward to making it a memorable Conference with your participation. Due to ongoing COVID-19 pandemic crisis, the conference is going to be on a virtual platform.

Times have changed and we recognize our need to address trends and problems in managing different Musculo skeletal problems. We also need to focus on techniques of surgery - "How to get it right?" for the upcoming budding Orthopaedic generation. This scientific event provides a right platform for the same with due focus on teaching basics and to learn the techniques from experts across all sub specialities. We aim at participation of the best of the faculty in General Orthopaedics, Subspecialties of Orthopaedics and allied Specialties from our State, Country and Abroad. There would be CME, Orations, Guest Lectures, Paper and Poster presentations as well as Problem solving, Consensus Decision Making sessions and Panel Discussions interspersed. This virtual meeting will enlighten us regarding basic concepts and trends pertaining to techniques of surgery.

Every effort is made to draw in all the members and non-members from all places and districts to participate in some form of their choice in the Conference. The Organising Committee would be Happy to note how you would like to participate. It may be communicated on email, phone or Whatsapp at the earliest, to modulate the program smoothly. In addition to two days of the main conference, the conference will also feature a CME integrated with instructional courses focused on Paediatric Trauma and Pelvic & Acetabular injuries. We look forward to welcome you to what promises to be one of the most exciting events of its kind in the region.

### Important Dates

Last date for registration - Before 30<sup>th</sup> June 2021  
Last date for Manuscript Submission 30<sup>th</sup> June 2021

## ORGANISING COMMITTEE

### Patrons

Dr. G. Ved Prakash  
Dr. V.S. Reddy

Dr. Jairamchander Pingle  
Dr. S. Vijay Rama Rao

Prof. A. Srinivasa Rao

### Advisory Board

Dr. Raghava Dutt Mulukutla  
Dr. Y. Surender Rao  
Dr. T. Venkateswara Rao  
Prof. P.N. Prasad

Dr. B. Ramakrishna  
Dr. K. Krishnaiah  
Dr. P. Vijay Chander Reddy  
Dr. K. Anjaneyulu

Dr. Dutta Tamlooker  
Dr. A. V. Guruva Reddy  
Dr. S. Srinivasa Reddy  
Dr. J. Sathyanarayana

### Organising Chairman

Dr. G.V.S. Moorthy

### Co-Organising Chairman

Dr. N. Somasekhar Reddy

Dr. K. Kodandapani

Dr. P. Chandrasekhar

### Organising Secretary

Dr. Y. Thimma Reddy

### Joint Organising Secretary

Dr. G. Ramesh

Dr. A. Krishna Reddy

Dr. Ch. Srinivas

## Treasurer

Dr. D. Praveen

---

## Chairman Scientific Committee

Dr. M. V. Reddy

---

## Co-Chairman Scientific Committee

Dr. V.S. Ravindranath

Dr. E. Krishna Kiran

---

## Scientific Committee Members

Dr. B. Prabhu Dheer

Dr. Uday Krishna Myneni

Dr. Aluka Sundeep Reddy

Dr. Abbas Ali

Dr. P. Sateesh Chandra

Dr. J. Alwal Reddy

Dr. K. Bansilal

Dr. K. Chandrasekhar

---

## CME Committee

Paediatric Injuries

Dr. K.L.N Rao

Pelvi Acetabular Injuries

Dr. E. Krishna Kiran

Dr. Srinivas Kasha

Dr. G. Ashok Raju

---

## Chairman E-Posters Committee

Dr. V.S. Ravindranath

---

## Co-Chairman E-Posters Committee

Dr. B. Valya

Dr. V.K.V. Prasad

Dr. D.S. Ramnath

Dr. V. Prashanth

---

## E-Posters Committee Members

Dr. V. Shekhar

Dr. R. Radhakrishna

Dr. G. Ramakrishna

Dr. P. Satish

Dr. Y. Ranjith

Dr. Shankar Sing

## Chairman Registration Committee

Dr. G. Veera Reddy

## Registration Committee Members

Dr. N. Ravi Kiran

Dr. B. Sudheer Kumar

Dr. Agnesh

## Inauguration Committee

Dr. N. Ravinder Kumar

Dr. G. Omkarnath

Dr. V. Jagan Mohan Reddy

## Chairman Symposium Committee

Dr. Deepthi Nandan Reddy

Dr. Somasekhar Reddy

Dr. Praveen Mereddy

Dr. M.V. Reddy

Dr. Himakanth

Dr. Satish Reddy

- No refund on TOSACON 2021 Virtual Conference.

## Manuscript Submission Guidelines

#### Guidelines for paper presentation:

Life members / Associate members of TOSA / Non members can present the papers and e-posters at TOSACON 2021 which is going to be organised on a virtual platform.

Registered delegate can only present free paper / Medal paper / E poster as first author. Papers already presented elsewhere cannot be presented. Scientific Committee will review and select the papers for various free paper sessions including medal sessions. Decision of scientific committee is final.

The following are the types of presentations in TOSACON 2021 :

**1. TOSA Gold medal :** Awarded to the first author of the best paper for the original work in the field of Orthopaedics. One should be an Orthopaedic Surgeon who is rendering his services in Telangana and should be below the age of 45 years. The Gold medal can be given not more than two occasions to the same individual. The recipient must be a TOSA life member and registered delegate.

**2. Silver medal :** Awarded to the best scientific paper presented by a post graduate student in Orthopaedics. The recipient must be an associate member and registered delegate.

**3. Free paper :** All Members / Non Members can submit their presentations to this category. Presenting author of a medal paper, whose submission is not selected under medal category if consented will be considered under free paper category.

**4. E-posters :** Delegate submitting an e-poster should be registered for the conference.

Last date for manuscript submission: 30th June 2021.

Paper presentation category :

1. Trauma
2. Paediatric Orthopaedics
3. Hand
4. Foot and ankle
5. Pelvis and acetabular injuries
6. Arthroscopy
7. Arthroplasty
8. Spine
9. Orthopaedic oncology
10. Miscellaneous

**Guidelines for submission to medal papers and free papers :**

The delegate need to submit full manuscript for medal / free paper / e-poster categories in MS Word (.doc / .docx) format to scientific committee in manuscript submission system – online.

**The manuscript submitted has a word limit of 3000 words and in the following format :**

- a. Abstract – not more than 300 words
- b. Introduction
- c. Material & Methods
- d. Results
- e. Discussion
- f. Conclusion
- g. References

Total word count of the submitted document should be less than 3000 words including abstract which should be not more than 300 words.

The document should be prepared using Times New Roman font with 12 as font size for body and 14 for title and headings and double spacing between lines.

No need to attach any pictures/ radiographs / tables in the manuscript submitted.

**PLEASE DO NOT MENTION NAME OF AUTHORS OR INSTITUTE ON THE TITLE PAGE OR IN THE MANUSCRIPT.** Disclosing the names of the author or institute can lead to disqualification. Names of presenting author and co-authors have to be mentioned in the specified columns of the online manuscript submission system only. No change in presenting author will be entertained at any time after submission of the article.

Accepted paper presenters are required to submit their presentation in a recorded video format using a Power Point Presentation. The guidelines and necessary instructions will be sent to selected speakers eventually. Each paper will be given 8 minutes for presentation and 2 minutes for the discussion. The delegates need to keep in view of the time allotted for presentation while making the manuscript.

Last date for manuscript submission: 30th June 2021.

Last date for full paper / poster submission for the selected manuscript to be presented at TOSACON 2021 virtual conference is : 20th July 2021.

Scientific committee assessment will be done on full article submission only and will be intimated to the presenter latest by 10th July 2021. Mere registration to the conference, cannot qualify for acceptance of the paper presentation.

#### **Guidelines for e-poster presentation :**

Life members / Associate members of TOSA / Non members can present e-posters.

Registered delegate can only present e-posters. Posters already presented elsewhere cannot be presented.

Only online submission is accepted.

For the selection committee to review, the presenting authors of e-posters need to send the entire manuscript in .doc / .docx format.

**PLEASE DO NOT MENTION NAME OF AUTHORS OR INSTITUTE ON THE TITLE PAGE OR IN THE MANUSCRIPT.** Disclosing the names of the author or institute can lead to disqualification. Names of presenting author and co-authors have to be mentioned in the specified columns of the online manuscript submission system only. No change in presenting author will be entertained at any time after submission of the article.

Authors of accepted e-posters will be intimated latest by 10th July 2021.

#### **Guidelines for submission to E-posters :**

The delegate need to submit full manuscript for e-poster categories in MS Word (.doc / .docx) format to scientific committee in manuscript submission system – online.

The manuscript submitted has a word limit of 3000 words and in the following format :

- a. Abstract – not more than 300 words
- b. Introduction
- c. Material & Methods
- d. Results
- e. Discussion
- f. Conclusion

Total word count of the submitted document should be less than 3000 words including abstract which should be not more than 300 words.

The document should be prepared using Times New Roman font with 12 as font size for body and 14 for title and headings and double spacing between lines.

No need to attach any pictures/ radiographs / tables in the manuscript submitted. The poster should be self explanatory. Text should be brief and well organized.

Selected E-posters will be notified with relevant instructions and templates to make the E-poster in PPT format and upload online for display at the virtual platform.
