Organised by

Karimnagar Orthopaedic Surgeons Association

INVITATION

Dear Trade Partners,

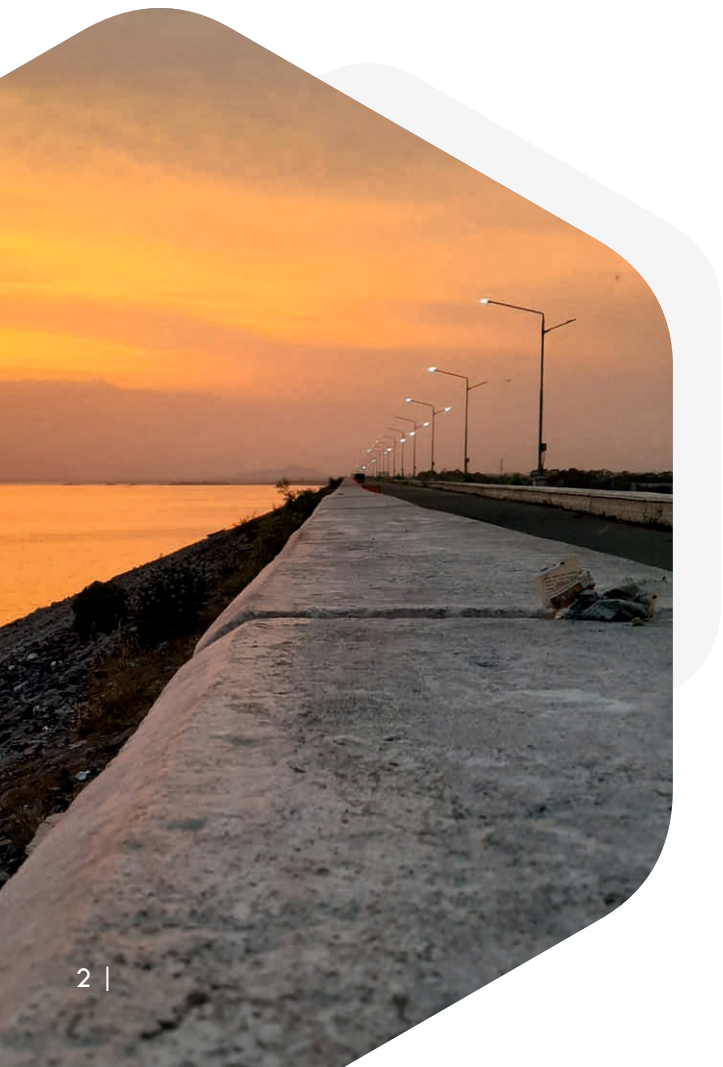

It is our privilege to invite you to the 9th Annual Conference of the Telangana Orthopaedic Surgeons Association, scheduled to be held from 01st to 04th February, 2024 at V Convention, Karimnagar, Telangana.

The profile of this scientific gathering will provide a unique opportunity to showcase your company's products and latest advancements in the constantly evolving field of Orthopaedics to the trauma and orthopaedic surgeons from all over state and also neighbouring states. We are expecting over 800 delegates for this academic feast and have planned accordingly.

The conference is being held in V Convention, Karimnagar to cater all the exhibitors and also delegates providing a right platform. We have planned for a large trade area for you to showcase your products with elevation.

We solicit your whole-hearted support and contributions to realise all the plans for TOSACON 2024 at a level of your choice, which meets your budget and matches the level of visibility you would like to reach among the delegates.

Warm regards and looking forward to welcome you all at TOSACON 2024.

HOST CITY INFORMATION

Karimnagar is also known as Elagandula (Ancient name) is a city and District Headquarters in the Indian state of Telangana. Karimnagar is a major urban agglomeration and fifth largest city in the state. It is governed by the Municipal Corporation and is the headquarters of the Karimnagar district. It is situated on the banks of Manair River, which is a tributary of the Godavari River. It is the fourth largest and fastest growing urban settlement in the state, according to 2011 census. It has registered a population growth rate of 45.46% and 38.87% respectively over the past two decades between 1991 and 2011, which is highest growth rate among major cities of Telangana. It serves as a major educational and health hub for the northern districts of Telangana. It is a major business center and widely known for its agricultural and granite industries, earning the nickname "City of Granites."

It has been selected as one of the hundred Indian cities to be developed as a smart city under PM Narendra Modi's flagship Smart Cities Mission by replacing Hyderabad

The name Karimnagar is derived from SyeKarimuddin, a Quiladar. It is known for Vedic learning from ancient times. Karimnagar is located at a distance of 165 Km from Hyderabad, the capital city of Telangana. The river Godavari adds to the beauty of this place. Many large-scale companies like NTPC, Kesoram Cements, Ramagundam-singareni collieries etc. are located in and around Karimnagar. Holy places like Vemulawada, Dharmapuri, Kaleshwaram, KondaGattu etc. are present in Karimnagar district. The locals specialise in Silver Filigree, a delicate form of metal work.

The history of the Karimnagar district starts from the Old Stone Age i.e., from 1,48,000 BC. It is evident from the tools, culture and other materials found at different places in Karimnagar. The exhaustions at Pedda Bonkur, Dhollikatte and Kotilingalu are evidences for history. From these evidences it is concluded that Karimnagar is ruled by Shathavahanas. After Shathavahanas Mourya Kings, Asafzal Kings ruled over Karimnagar. The buildings, constructions made by these kings are today remarkable evidences of the history.

Lower Manir Dam is one of the largest dams in the state of Telangana. LMD is a major tourism spot for people of Karimnagar and the surrounding area. The dam has boating facilities. Ujwala park and Deer park near LMD are another major part of the city's tourism. The Karimnagar Cable Bridge has been constructed on Manair River between Housing Board Colony and Sadashivpalli, opened in 2023, it shortens the distance to Warangal by 7 KM. The bridge is part of the large Manair Riverfront project which has been proposed by the Chief Minister of Telangana after his ministers visited Sabarmati riverfront in Ahmedabad on Sabarmati river.
