Guidelines For E-Poster Presentation

Submission Process:

Selected Posters: Please submit the full poster in JPEG or JPG format At 8 :00 am in the morning on 12 th October 2025 along with following details.

Poster Specifications:

- **Format/Size:** JPEG or JPG format only (not in PPT).
- **Orientation:** Landscape, 16:9
- **Content:** One slide only.
- Posters should not be too cluttered and must follow a clear and logical layout. Reduce reading matter to an essential minimum.

Design and Readability:

- **Legibility:** Lettering, including figure legends, labels, symbols, and graphs, should be large enough to be readable on a 85" screen. Ordinary typefaces are NOT adequate.
- **Visuals:** Use drawings, diagrams, and photos to display results and conclusions. Ensure illustrations are clear and easy to understand without overloading charts or drawings.

Font Sizes and Styles:

- Use dark text on a light background
- Recommended fonts: **Calibri, Verdana, Arial** (to avoid cross-operating system display issues).
- Title: 50–60 pt (adjust slightly for long titles).
- Authors and institutions: 30–36 pt.
- Main text: 32–36 pt (28 pt or even 24 pt in isolated areas with dense text).
- References/Bibliography: 24–32 pt.

Restrictions:

- Videos and animations are NOT allowed in your poster.
