TOSA – TCOS – IOA – Gandhi Medical College, Hyderabad

Two-Day Postgraduate Orthopaedic Teaching Programme

🔗 Focused on Clinical & Examination-Oriented Training

📍 Venue: Gandhi Medical College, Hyderabad

📅 Dates: 8th & 9th November 2025

About the Program

The Telangana Orthopaedic Surgeons Association (TOSA). in collaboration with Twin Cities Orthopaedic Association (IOA), (IOA), and Gandhi Medical College, proudly presents a two-day intensive postgraduate orthopaedic teaching programme. This academic initiative aims to enhance clinical examination skills and exam-focused preparation for postgraduate students and young consultants.

Program Highlights

- Over 100 live clinical cases across all orthopaedic subspecialties
- Ward rounds & viva sessions led by experienced examiners
- Demonstrations: surgical instruments, X-rays, and pathological specimens
- Prosthetics & Orthotics display and surgical exposure sessions

Who Should Attend

- MS / DNB Postgraduate students
- Residents preparing for university and board exams
- Young consultants seeking focused clinical refreshers

Organized By

Telangana Orthopaedic Surgeons Association (TOSA)
